

BRINGING AWARENESS AND  
EQUALITY TO THE WOMEN  
OF THE COFFEE INDUSTRY.

*Dear store manager,*

I'm a regular customer and kindly request that you consider carrying City Girl Coffee™.

A sustainable and responsible coffee company, City Girl works to source coffee from women-owned or -managed farms and co-operatives. A portion of every sale goes to organizations that support the success of those women in their country of origin.

**I believe this product will be successful in your store.**

Thank you for your consideration and I hope you will join City Girl in their efforts to change the coffee industry.

*Sincerely,*
